AUTHORISATION TO INSTALL

I authorise Fastcom Broadband Ltd to activate the selected choices on my behalf. By signing this order you are agreeing with the terms and conditions set out. Please keep a copy of your order form for your records.

This declaration is designed to ensure that Fastcom is protected from claims in the event that we install equipment at properties which our customer (i) does not own, and (ii) for which the customer does not have written approval from the landlord for installation, but warrants that verbal approval has been received.

DECLARATION

Please tick whichever of the following statements applies:

I or my parents own the property at which the Fastcom service is being applied for.

I am a tenant. I hereby warrant that my landlord has approved the installation of Fastcom broadband equipment at my rented property and I indemnify Fastcom Broadband Ltd against any claims arising from this installation, should my landlord object. In such an event, I undertake to reimburse costs for the removal and restoration of the property to its previous condition.
